

WE ARE  
**ONE SUPREME  
COURT VOTE**

away from losing our  
Second Amendment.

**GUN OWNERS**

across the nation  
are supporting the

**Convention of States,**  
an effort to use the  
constitutional power  
of the states to **impose**  
**limitations on the**  
**power and scope of**  
**our overreaching**  
**federal government.**

# TAKE ACTION NOW

**Sign the petition at  
conventionofstates.com**

to call for an Article V Convention limited to  
proposing constitutional amendments that:

*Put fiscal restraints on the federal government*

---

*Limit the federal government's  
power and jurisdiction*

---

*Impose term limits on federal  
officials and members of Congress*

## IS IT SAFE?

"I am joined in this effort by many well-known constitutional conservatives...All of us have carefully studied the original meaning of Article V, and not one of us would support an Article V Convention if we believed it would pose a significant threat to our Second Amendment rights or any of our constitutional freedoms."

CHARLES J. COOPER

**Constitutional Law  
Litigator for  
the NRA**
