CONVENTION *of* **STATES ACTION**

SIGN THE PETITION AT CONVENTIONOFSTATES.COM/MILITARY

To call for an Article V Convention limited to proposing constitutional amendments that:

- Put fiscal restraints on the federal government
- Limit the federal government's power and jurisdiction
- Impose term limits on federal officials and members of Congress

“[O]ur nation is undergoing a period of great turmoil, and our federal government... has greatly overstepped its constitutional boundaries in so many respects; it is truly time for the state governments to take action and return the federal government to its limited powers specified in our Constitution. [O]ur nation is currently in a domestic war which we as veterans cannot afford to stand by and watch. We need to help win this war for the benefit of not only ourselves but also our posterity.”

- *Maj. Gen. Paul E. Vallely*
