

**2022 COSNC Building the Grassroots
TP Missions – Launched July 26, 2022**

We are making calls into 1 Senate District and 8 House Districts where we have an opportunity to support a COS friendly candidate in the upcoming general election. Calls into these 9 districts have been set up in 3 different TP missions pulling supporters in each district that have activist points greater than 10, 12 or 15 depending on the number of people in the district. These three different missions are all using the exact same script provided below.

As a TP Volunteer, you have been assigned to one of three teams to call into 3 different districts as follows.

Team 1 will call into Senate District 4 and House Districts 25 and 37 – Team name: NC_22JUL22_TP-Tm_1

Team 2 will call into House Districts 47, 63 and 73 - Team name: NC_22JUL22_TP-Tm_2

Team 3 will call into House Districts 24, 43 and 59 - Team name: NC_22JUL22_TP-Tm_3

Mission Script:

Hi, _____ my name is _____ and I'm a volunteer with Convention of States NC. You likely know that our resolution was not taken up in the NC Senate this year so we've got to start all over again in the 2023/24 session. You live in a key district in the upcoming general election and we really need help in your district to ensure that a pro-cos candidate represents you in the next session. We can learn about the many ways you can get involved at www.conventionofstates.com/take_action. We hope you will join us in the fight to save our Republic.
