Prayer Warriors Battle Plan

April 2019

Scripture of the Month

I put no trust in my bow, my sword does not bring me victory;
but you give us victory over our enemies, you put our adversaries to shame.

— Psalm 44:6-7

This is a beautiful time of year when we celebrate Your great victories, Lord God. We remember the victory of the Exodus of Your chosen people and Jesus' victory over sin and death through His resurrection. We remember that without Your power, we will never be able to achieve the victory that pleases You and accomplishes Your purposes. Keep us from trusting our "bows and swords"—our own abilities and resources. Give us faith to persevere through temporary setbacks. Grant us victory that honors You and reflects Your glory to our nation and the world.

Leadership Prayer Focus

Judd Sloan is the new national Technical Support Manager. He is responsible for overseeing the training and support of technical volunteers, particularly State Information Analysts.

Since Judd began in this role in January, it has developed that his supervisor will be moving to a different career position, requiring Judd to take on a larger role. Pray blessings on him as he learns and fills this crucial position.
