

# CONVENTION of STATES

## **Prayer Warriors Battle Plan**

**April 2020**

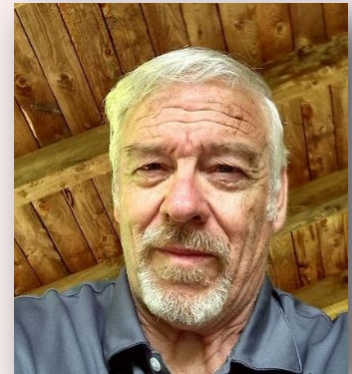

### **Scripture of the Month**

If only for this life we have hope in Christ, we are of all people most to be pitied. But Christ has indeed been raised from the dead, the firstfruits of those who have fallen asleep.  
—I Cor 15:19-20

*In this time of great anxiety and uncertainty, we are so blessed to know your hope, Father God. We have hope not just for this life, which is what most people in the world around us are focused on, but confidence of our eternal destiny. Help us to live today in light of that reality. Let the peace that passes understanding guard our hearts and minds. Enable us to rejoice in your goodness and truth regardless of our circumstances.*

### **Leadership Prayer Focus**

**Dennis Denton** is a new Regional Director, overseeing efforts in the western states. He previously served as State Director in Virginia. Lift up Dennis as he learns the ropes of the regional director role and for a fruitful time of participation in a Servant Leadership class with other COS volunteers. He asks prayer for COS supporters who are affected by the COVID-19 crisis, especially many senior citizens who are in the high-risk category. Also pray for a State Director to replace Dennis in Virginia.

### **April Events and Requests**

- Lift up Mark Meckler, COS President, and his new podcast, *The Mark Meckler Show*. Give thanks for the early success of the venture and ask God to bless him with great effectiveness and impact.
- Pray for a new effort called COS Serves which has the goal of reaching out to legislators during this time of crisis.
- Pray for all our state teams to make good use of this time of being slowed down and shut in to continue to train and motivate volunteers.
