

CONVENTION of STATES

Prayer Warriors Battle Plan

December 2019

Scripture of the Month

The people walking in darkness have seen a great light;
on those dwelling in the shadow of death, a light has dawned.

— Isaiah 9:2

Lord, we know that your Kingdom is a kingdom of light. Those who love evil shun the light, but those who do good come to the light so that their good deeds will be clearly seen. We ask that the Convention of States movement would be one that reflects light and truth. May we always be a community that welcomes light into our midst, and one that attracts people who love the light. Empower us to shine light into the dark corners of our social and political systems so that deception of our enemy will be revealed. Make America a beacon of light to the world!

Leadership Prayer Focus

This month we are focusing on none other than our co-founder and president, **Mark Meckler**.

Mark has had a very intense travel schedule over recent months, during a time of the year that is not usually so busy. Beginning in January, legislative sessions start up in many more states. Pray for God to preserve Mark's health, for times of rest, and that he will find ways to maintain his personal connection to the Lord. Pray particularly that the Christmas season will be refreshing and meaningful.

December Events and Requests

- Hand-written letters are the silver-bullet solution to connecting with legislators! Pray for many states to find ways to incorporate this tactic into their state strategies.
- The national team is excited about the growth that we are seeing in terms of numbers and opportunities, but asks for growth in wisdom, discernment, maturity, and a culture of godliness as well.
- Pray for good preparation for the upcoming legislative sessions that start at the beginning of the year.

Prayer Goals for 2019

- Praise for achieving the goals for active District Captains by the end of the summer! Keep praying for an increase in the following roles:
 - 675 active District Captains across COS (530 as of Oct. 29)
 - 150 active Regional Captains (134 as of Oct. 29)
 - 90 active Grassroots Coordinators across COS (79 as of Oct. 29)
- Two more states to pass the resolution before the end of 2019, which will bring us to a total of 17, half-way to our goal of 34 states.
- A distinct increase in the number of COS presentations given by volunteers across the country.
- A breakthrough in Eagle Forum's opposition to COS (this may need a longer-term prayer focus beyond 2019).
