

# CONVENTION of STATES

## **Prayer Warriors Battle Plan**

**February 2020**

### **Scripture of the Month**

Praise be to the God and Father of our Lord Jesus Christ.  
In Christ, God has given us every spiritual blessing in heaven.  
— Ephesians 1:3

*Father God, we are so blessed to be your children. Thank you for this reminder that all the resources of heaven itself are available to us—not because we are virtuous ourselves, but because they were purchased by Jesus for us. Remind us of this when we get discouraged or are tempted to believe that we must work your will in our own strength. Grant to us wisdom, hope, confidence, and knowledge of your purposes as we shoulder the tasks before us.*

### **Leadership Prayer Focus**

**Bud Cornwell** is currently serving as Technology Services Manager for the national team. Previously he was State Director in Arkansas.

One of the concerns on Bud's mind is the opposition that will be coming against the COS movement, increasingly in the future. Let's join him in praying for skill in defending against experienced and well-funded opponents and discernment in recognizing possible infiltrators into our leadership.

### **February Events and Requests**

- Several dozen COS volunteers are spending time in fasting and prayer this month as part of our Fasting in February effort. Ask God to keep them healthy and strong and empower them for their work of intercession. If you haven't signed up, you can still do so here: <https://www.signupgenius.com/go/4090d4aafac28abf94-fasting>
- The national team is excited about the growth that we are seeing in terms of numbers and opportunities, but asks for growth in wisdom, discernment, maturity, and a culture of godliness as well.
- The COS resolution is moving forward in many states! Pray for key legislators around the country to see the value of this approach, and for citizens to make their voices heard.
