

CONVENTION of STATES

Prayer Warriors Battle Plan

January 2020

Scripture of the Month

Now may God, the source of hope, fill you with all joy and peace as you believe,
so that you may overflow with hope by the power of the Holy Spirit.

— Romans 15:13

Father God, a new year is beginning and many challenges are before us. Thank you that you are the God of hope and so we can always be hopeful in your power and good purposes. We pray specifically for those that are burdened and discouraged, that you will fill them with hope. Protect us from cynicism which is very easy to succumb to as we see corruption all around us. Give us a vision for how you want to use the Convention of States movement and us as we serve you through our work as patriots and believers.

Leadership Prayer Focus

Monica Sellers serves as Regional Director for six states: Massachusetts, Connecticut, Delaware, Maryland, New Jersey, and Illinois. She also provides leadership for the Social Media Warrior team.

Monica is a busy lady, raising no less than 13 little Sellers patriots in addition to her COS activities. Several family members are also COS volunteers. She asks for wisdom and guidance in all these responsibilities, and God's providence as she helps grow the teams in the states she oversees. Join her in expressing gratitude for the good leaders she works with and for God's abundant blessings on her region.

January Events and Requests

- Many states begin new legislative sessions at the beginning of the year. Pray for state leadership, particularly legislative liaisons, to have wisdom regarding legislative strategy.
- Ask God to raise up another influential, patriotic "headliner" to assist COS President Mark Meckler in traveling, providing expert testimony and bringing a bit of "star power" to state legislators. Also pray for supernatural health and strength for Mark as so much of this responsibility falls on him.
