

# CONVENTION of STATES

## **Prayer Warriors Battle Plan**

**July 2019**

### **Scripture of the Month**

Blessed is the one who does not walk in step with the wicked, or stand in the way of sinners or sit in the company of the mockers, but whose delight is in the law of the Lord....

That person is like a tree planted by streams of water, which yields its fruit in season, and whose leaf does not wither—whatever they do prospers. — Psalm 1:1-3

*Lord God, our nation is increasingly full of people who mock your Word and scoff at your very existence. Keep us from following their ways or modeling our movement or behavior on them. Instead, Lord, we want to be people who delight in your Word, who recognize it as intended for our blessing. As we do so, allow us to prosper as this psalm promises. Bless our movement with fruit in the right season—a successful Article V convention, but more importantly, true liberty and revival.*

### **Leadership Prayer Focus**

**Lois Alimonti** has recently taken on the role of New York State Co-Director, sharing the job with Silver Dreaming Wolf. She has also served as a District Captain, Regional Captain, and State Grassroots Coordinator.

Lift up Lois, along with Silver, as they provide leadership in New York. Ask specifically for understanding of the strategic approaches needed in this large, diverse, and challenging state. Also pray for comfort and strength for Lois and her family after the recent loss of her father.

### **July Events and Requests**

- Two key national roles need to be filled: a Regional Director and an executive assistant for our Chief Operations Officer. Ask God for provision of just the right individuals.
- Continue to lift up the plans for the national COS Leadership Summit taking place in August, as the schedule is finalized and last minute details need to be addressed.
- Many states are very active in the summer with events that help them recruit. Pray for a multiplication of new and active DCs so that as we go into the legislative season, we are better covered by grassroots activists.
