

CONVENTION of STATES

Prayer Warriors Battle Plan

March 2019

Scripture of the Month

As I was prophesying, there was a noise, a rattling sound, and the bones came together, bone to bone...but there was no breath in them....So I prophesied as the Lord commanded me, and breath entered them and they and stood on their feet—a vast army. — Ezekiel 37:7, 8, 10

Lord God, our American Republic feels a lot like a valley of dry bones, and only You know if we can live again. Our wonderful constitutional system is disintegrating and needs restoration. We need a restructuring of our bones and flesh to restore what our nation was intended to be, which is the COS goal. Help us to build legal processes, organization, communication channels, and technology—for that alone we need your power. But even more than that, Lord, we need you to breathe your Spirit on us. Only You can bring the dead to life. Fill us with passion for You and Your ways. Make the COS movement into a vast, living army that will serve You and do Your will in this nation.

Leadership Prayer Focus

Browning Sandusky is the new State Director for Georgia. He was a member of the Georgia team when they were the first state to pass in 2014.

As a millennial himself, Browning has great connections with people of the younger generation. Part of his work as Georgia State Director is to help start Young Americans for Self-Governance clubs on many of the college campuses in Georgia. Pray for that effort and for Browning to quickly learn the ropes of the State Director role.

March Events and Requests

- The Ben Shapiro promotion has started and is garnering lots of response. Pray for effective connection with all those who are signing the petition and wanting to become involved.
- Pray for wisdom in decisions being made about a big national COS event, probably to take place in September.
- Continue to pray for Senior Advisor Tom Coburn and President Mark Meckler as they travel extensively during the legislative session speaking on behalf of the COS movement.
