

CONVENTION of STATES

Prayer Warriors Battle Plan

March 2021

Scripture of the Month

Those who wait on the Lord will find new strength.

They will soar high on wings like eagles.

They will run and not be weary; they will walk and not faint.

—Isaiah 40:31

Lord, as one of the prayer points below shows, some COS volunteers are discouraged and anxious as we see the chaos in our nation. It's easy to listen to the voice of our enemy and believe that there is no hope for America and that efforts are futile. Teach us, Father God, to wait on you, to understand your heart and your ways. Give us strength, encouragement, and fortitude to persevere in spite of obstacles and set-backs. Send the wind of your Spirit under our wings to enable us to soar into your purposes.

Liberty Prayer Focus

For many years **James Dobson** has been a leader in our country advocating not only for faith but for legislation that reflects biblical values and supports the family. He is also an endorser of Convention of States. Check out this [discussion that involves COS President Mark Meckler](#).

Pray for the **Dr. James Dobson Family Institute**, that God will enlarge their influence and bless them with abundant resources. Also ask for opportunities for Dr. Dobson and his associates to spread the COS message.
