

# CONVENTION of STATES

## Prayer Warriors Battle Plan

May 2020

### Scripture of the Month

For the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea.  
—Habakkuk 2:14

*Father God, right now the earth is filled with anxiety, uncertainty, and the awareness of the fragility of life. We know that you often bring us to the end of our own resources in order for us to recognize your power, authority, and mercy. We ask you to show yourself strong throughout the earth. Reveal yourself to those with humble, seeking hearts. Call your people to seek your face in a deeper way, so that all those who call themselves by your name would be transformed into an image of your glory that we reflect to the world.*

### Leadership Prayer Focus

**David Schneider** is a long-time Regional Director overseeing efforts in a number of the Midwestern states.

David is active in the Open the States effort and asks prayer for clear direction in advocating for constitutional rights in his home state of Kansas as well as Michigan. Lift up the many politicians he interacts with in his COS role, that he will communicate well with them and they will have minds open to God's will. Finally, he requests prayer for the timely sale of his house.

### May Events and Requests

- Pray for the new [OpenTheStates.com](https://www.openthestates.com) website, for beneficial attention from national media, and for Mark Meckler and others as they represent the effort publicly. Pray for great fruit in terms of new support and volunteers for COS.
- Pray for wisdom for state governors, mayors, and other officials who are making decisions about the process of opening up the economy.
- As the restrictions begin to ease, pray that COS efforts will be able to regain momentum in states that still have legislative sessions in progress.
