

# CONVENTION of STATES

## Prayer Warriors Battle Plan

November 2018

### Scripture of the Month

Give thanks to the Lord, for he is good. His love endures forever.

— Psalm 136:1

*Lord, you are so very good to us. You have blessed us so abundantly and sustain us so powerfully. May we never forget that it is because of your blessing that we enjoy the great freedom and amazing prosperity that we do. Let us always remember that when you bless us it is in order for us to bless others. Allow America to be blessing to the world as we have been many times in the past.*

### Leader of the Month

**Rita Dunaway** serves as the hub of the COS legislative strategy and history. She oversees the execution of those strategies, tracks legislative progress throughout legislative season, and allocates resources in accordance with our legislative priorities.

Rita asks prayer for God to provide additional “headliners” to serve as COS speakers, to share the load with Mark Meckler, Jim DeMint, Tom Coburn, and Rob Natelson. She also sees a need for creative strategies in states where we are “stuck” legislatively, and wisdom in delegating tasks.

### November Events and Requests

- **COSU**, our on-line training “university,” has been undergoing a rework for many months. Continue to pray for the upcoming “soft launch”.
- **Mark Meckler**, our president, has had an extremely busy travel schedule recently and expects next month to be even more intense. Pray for supernatural stamina and good health. Also remember him and his wife Patty as they complete their house sale and pray for a safe and easy move to their new home in Texas.
- *Pennsylvania*: Give thanks for the great hearing and rally in October. Pray for the impact of those events to move the legislature toward passage of the COS resolution in 2019.

**We gather together  
to ask the Lord's blessing.  
He chastens and hastens  
His will to make known.  
The wicked oppressing  
now cease from distressing.  
Sing praises to His name;  
He forgets not His own!**
