

CONVENTION of STATES

Prayer Warriors Battle Plan

November 2019

Scripture of the Month

The plans of the Lord stand firm, the purposes of his heart through all generations.
— Psalm 33:11

Father God, in the midst of a time of great turmoil in our nation, we are grateful that you have a plan that stretches from eternity past to eternity future. You see the end from the beginning and nothing can thwart your purposes. Thank you that we can trust that your plans and intentions are full of wisdom and goodness. We know that in one sense America is a blip on the enormous radar screen of history, but in another sense you have a special purpose for which you established our nation. Bring those plans to fulfillment, and we ask that you would be pleased to use the Convention of States movement to accomplish that. Empower us as your servants to be partners with you in your good and wise work.

Leadership Prayer Focus

A few months ago we featured New York State Co-director, Lois Alimonti. This month we are praying for her partner in liberty, **Silver Dreaming Wolf**. In addition to serving with Lois as State Co-director, Silver works with the grassroots, manages the state Facebook page, helps as a social media warrior, and seems to be everywhere at once doing everything possible to preserve our nation.

Silver will be undergoing back surgery on November 27. Pray for a successful procedure and a healing touch from the Lord so that she can quickly get back to what she loves—volunteering for COS!

November Events and Requests

- Pray for a productive and successful staff meeting in Texas, November 13-16.
- Plans for the 2020 COS Leadership Summit are going forward already! Pray for wisdom, provision, and creative ideas for the national team.
- 🦃 Summer often sees a slump in terms of grassroots engagement. Give thanks for the positive momentum that the COS grassroots maintained throughout this past summer.

Prayer Goals for 2019

- Praise for achieving the goals for active District Captains by the end of the summer! Keep praying for an increase in the following roles:
 - 675 active District Captains across COS (530 as of Oct. 29)
 - 150 active Regional Captains (134 as of Oct. 29)
 - 90 active Grassroots Coordinators across COS (79 as of Oct. 29)
- Two more states to pass the resolution before the end of 2019, which will bring us to a total of 17, half-way to our goal of 34 states.
- A distinct increase in the number of COS presentations given by volunteers across the country.
- A breakthrough in Eagle Forum's opposition to COS (this may need a longer-term prayer focus beyond 2019).
