

CONVENTION of STATES

Prayer Warriors Battle Plan

November 2020

Scripture of the Month

But the steadfast love of the Lord is from everlasting to everlasting on those who fear him,
and his righteousness to children's children,
to those who keep his covenant and remember to do his commandments.

—Psalm 103:17-18

Lord, we thank you for this beautiful psalm that enumerates all your many blessings. We are so grateful that your love is always faithful. Even when we violate our covenant with you, you do not forget. Call us back, Lord, to the covenants that the founders of this nation made with you. Remind us of your commandments and give us a love for your ways and your laws. Above all, establish a new generation in America that fears your name.

Liberty Prayer Focus

This month let's lift up the [Falkirk Center](#), a new venture associated with Liberty University. The purpose of the center is to equip Christians to be courageous champions for Christ to advance His kingdom and preserve American freedom. The center sees five essentials in this effort: life and culture, religious liberty, limited government, market economy, and personal and national defense.

Pray blessings on Ryan Helfenbein in his role as executive director. Give thanks for several COS supporters who are on the team, including Charlie Kirk, Eric Metaxas, and Jenna Ellis, and ask God to enlarge their voices.

November Events and Requests

- Pray for momentum for the COS movement, that no matter what the outcome of the election, our volunteers and supporters will become neither complacent or disheartened by the results.
- Continue to pray for the impact of the COS get-out-the-vote effort.
- Lift up the second round of Patriot Academy's Constitution Alive course which started October 12. Give thanks for the great attendance so far—we blew past the initial goal of 5000 attendees! The new goal is 10,000! Pray for it to have great impact.
