

Followup Tool Phone Script

Hello,

I'd like to speak with (Volunteer Name). [voicemail: Hello, I'm calling for (Volunteer Name).]

My name is (Your Name), and I'm a volunteer with the Convention of States Project here in Texas. I'd like to thank you for signing the petition. If you'd like to get more involved, there are lots of volunteer opportunities available with our team. If you're interested, please visit our website: ConventionofStates.com. After clicking the Take Action tab located at the top of the homepage, you'll be directed to a page that lists the various positions available for volunteers. There is also an introductory webinar you can register for that will give you the basics of our Convention of States Goal and mission.

Do you have any questions that I may answer? [Question to be skipped when leaving a voicemail.]

(Note to caller: If you are uncertain of the answer, or simply do not have the answer, please tell the volunteer you will reach out to a state leader for more information and get back to them.)

Thank you for your time and your dedication to liberty! I look forward to working with you as continue in our goal of making a convention of states a reality. Good-bye.
